TO THE HEIRS OF THE ESTATE OF ROLLANDE LAMOUREUX:

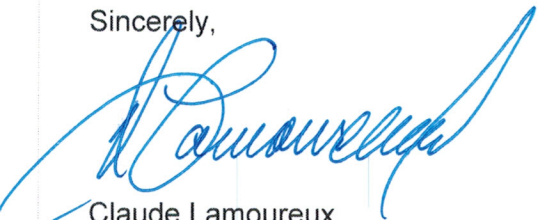

I am making a distribution to the heirs at this time of the sum of 53,902.56\$ (CA). A money wire has been sent to your bank account for your proportionate share of the estate in American funds. Please take note that the money transfer had a 45\$ fee. The assets of the estate have been distributed to the persons entitled to receive them. As per the signed agreement, a two thousand (2,000.00\$) dollar retainer fee will be deposited in another account in my name. This amount will be withheld from the Estate of Rollande Lamoureux for a period not exceeding 4 years for any future outstanding debts to another individual, firm, or government (i.e.: income tax reassessments). Once the waiting period has been attained, the retainer fee, as well as all other sums in the said account, will be divided up between the heirs as per their proportionate share of the estate. A final distribution will be done sometime in 2022.

Please take note that other fees have been paid out of the account:

1. Notre-Dame Cemetery:
  - a. There was a 226.00\$ charge for the installation of the marker on the family plot.
  - b. There was a 56.50\$ charge for the future care and maintenance of the marker.
2. RBC Bank:
  - a. There is a charge of 4.00\$ per month for the account. So far we have paid 12.00\$.

If you have any questions regarding the distribution or enclosures, please contact me on my cell phone at 613-606-1775 or by Email at [lam.proulx@hotmail.com](mailto:lam.proulx@hotmail.com).

Sincerely,

Claude Lamoureux
