On 3/11/2019, I was working within the City of Olympia as a fully marked and uniformed officer. I took a call for service detailing suspicious circumstances.

I took a call from Burgess. Burgess is a bartender at the Society Bar in downtown Olympia. Burgess stated there is a male who comes in often, Turner. Burgess stated that Turner has been coming in for quite some time and was a normal patron until the last several weeks. Turner began dressing in clothing which Burgess associates with Nazi clothing and propaganda. This included boots with red laces. During this time, Turner has also added Burgess on facebook as a friend. Burgess has noted a large amount of anti-Semitic posts, posts about belonging to Nazi groups and Nazi symbolism. There have also been several posts relating to the Olympian newspaper and calls to action. There have been no specific threats or calls to action.

Burgess Screenshot several of these posts and pictures and sent them to me. I submitted these photos for submission into RMS.

Case will be resolved. Info only.

Reference: Follow Up

On 3/12/2019, I had a follow up conversation with Burgess.

Burgess came to the Olympia Police Department and spoke with me about the behavior of Turner. Burgess wanted to discuss several other things that had occurred with Turner which he did not have time to disclose on 3/11/2019.

Turner has been coming into the Society Nightclub every single working night that the club is open. Turner has stated multiple times that Tuesday night is his favorite. Tuesday night is the only electronic night that Society puts on and plays no rap music at all. Turner has also made comments about the music attracting the wrong people into the club. Burgess has also noticed Turner looking at black patrons of the club multiple times in ways that made Burgess feel uncomfortable.

Turner has also started wearing shirts with German lettering on the front and red laces on boots into the club.

Another new development was that Turner began bringing candy to Society and dumping it on the bar for patrons. The Society managers stated that this was against the health board and they told him to stop. This was alarming to all members of staff as they didn't know if it was laced with anything.

I advised Burgess to call in if anything else happens.
