--------	----------------------------------	---

THE INFORMATION BELOW IS CONFIDENTIAL - FOR USE BY AUTHORIZED PERSONNEL ONLY

On 03/27/19 while working as the swing shift patrol Sergeant, I was advised by Det. Sgt. Herbig that the FBI was working a case on a Patrick Turner who was claiming to be involved in white supremacy groups and was making threats towards staff members at The Society Bar located at 111 Washington ST SE.

I was familiar with an earlier OPD report (Case #19- 1461) where a bartender at Society, Zak Burgess, reported an escalation in Patrick's behavior and I had reviewed some Facebook posting where it appeared that Patrick was posting Nazi propaganda posters and other White Supremacy type information. At the time there were not specific threats but Zak was concerned because Patrick was in the bar all the time and the bar has several black employees.

Today, Sgt. Herbig made me aware of recent posting where Patrick was talking about Viking pride and going to Valhalla. He also showed me some recent postings of handguns and swords which seemed to be an escalation from the postings in the prior report.

One alarming photo was of what appears to be Jewish males, one of them with a rifle, with the Star of David in the middle and what appears to be the Society's front entrance and sign blended into the background. I have attached the photo in RMS.

I contacted Zak at the Society and their staff was extremely fearful that Patrick might come and shoot up the bar.

Zak informed me that employees had been getting private messages from Patrick. One, where he created a list of name of employees and their girlfriends. One of those girlfriends goes by the nickname "Fox," and I was told that, "Fox is Dead, Long Live the Queen," was tagged on the back of the building and was also in several of the Facebook posts. Zak told me Patrick had been infatuated with Fox and was frustrated that Fox didn't like him.

I contacted FBI Special Agent Douglas Capra who stated the FBI was concerned by Patrick's behavior and they requested that he be detained if we contacted him. I also reviewed the information and believed that he needed to be detained to insure that he didn't hurt anyone and be evaluated by a mental health professional.

At 2145hr there was a 911 call from the Society that Patrick was standing at the front entrance looking in the windows.

Officer Henrichsen and I contacted Patrick and detained him in handcuffs. We did not locate any weapons and agreed to come to OPD to speak with the FBI.

Agent Capra came to OPD and interviewed Patrick. After the interview we decided to have Patrick evaluated by the DCR. Shelly Barnett came to OPD and reviewed the Facebook postings, Facebook messages and interviewed Patrick. Shelly decided to detain Patrick to St. Peters Hospital.

Officer Edwards transported Patrick to St. Peters Hospital.

I have attached the DCR Custody Authorization paperwork in RMS.

On 03/27/2019, at approximately 1220 hours, I called Zak Burgess who is a manager with the "Society" bar and club. I advised Zak that he and his employees should seek a protection order against Patrick Turner. Zac stated that he would and he was confident that some of his female employee`s would most likely consider it as well.

Refer to incident report for further details.

Brother, I am crazy in love with Jaymee. I didn't realize how much she meant to me till now. No matter what I do there is nothing else in this world that sustains me as much as she has. I would do anything for her and I know this to be true since I've even was willing to go as far as picking a fight with the club+Bosi, surely my death. I ask for your permission/ blessings for her hand and heart. ❤️

Hey Patrick, a few things to note.  
I am dating Jaymee and we live together.  
She has blocked you because

She has blocked you because she doesn't want to communicate with you anymore.

She is very far removed from Society and others that work/dj the bar.

I think you have misinterpreted the situation.

Sorry I know this isn't what you are looking to hear.

Thank you for telling me though friend. I do appreciate it. Now I know. I remember why it hurts so much.

Take care of my sweet Jaymee for me no matter what. Protect her and love

what did he send you

spiraled out of control again [just like when mom was dying/died and that's how I ended up in the club]... doing crazy wreck-less stuff. drugs, drinking, loud music to drown out my thoughts, driving around all night, trying to fall in love with other people and enjoy myself... nothing seems to measure up... I get no satisfaction.

After telling Bosi I wanted his job or even to be trained/ inherited, then rejected, I got furious... I was going to stay after at the club and take the job for myself... but came to my senses at the last moment [good call.... saved my life lol way outclassed and numbered] lol

my life lol way outclassed and numbered] lol

That's not how life works. You don't just take things from people. Keep doing your own thing and improving yourself. That's how you earn the things you want.

Thank you. I know that too be true. I'm not sure what is going on. I'm coming and going through dark moments. Normally I'm level headed and chill.

It really pains me because I'm all about PLUR old school raver too. He's my friend. You are my friend. I dislike behind spiteful and enraged. I didn't feel this way before. Something is changing.

Because I believe in myself. This is my calling. I am standing up for what I believe in and what I know is right. Drugging people, pimping and doing anything someone wants isn't alright/cool. I still have respect for myself and my kin. No matter what it takes I will not give up. Mess with the bull and you get the horns! [You know me, they have gone too far. They even disrespect my heritage, my family [you know that is the most important thing to me], hate me for being German/English/White and since I went back to my punk/skinhead ways... everyone is a fucking prick to me! So, my only other option is to FIGHT!!!!]

but why not ignore them & let them believe what they want? why care about what they think? why not go do something you enjoy instead of just stirring the pot?

I could do the same when you reply too but I don't. I care and I want to make a difference. This is my world and universe that I live in. Others are corrupting it, making it hard to breathe and destroy everything. The earth is dying and the gods need a hero... The people need a new champion. The filth must be swept away! The few, a small percentage, can be taken out and won't be missed at all to save the others/the planet/universe. Someone has to do it and my crew/ myself have answered that calling. FOR BLOOD AND HONOUR! Meine Ehre heit Treue! NO SURRENDER! WHATEVER IT TAKES!

I was way off. Fuck. I thought you were the boss, communicating messages with DJs to make me listen and wanted to kick your butt for my friends/fam lives and careers... Ahh!

Dude nobody is sending messages through music. That is all in your head. Also I know Drastic very well and the only drug that guy will touch is weed. He has had the opportunity to do other stuff many times outside the club and has always turned it down.

The club is not in trouble nor at risk man

You need to let go of these obsessions or they are going to make you go mad.

There is no secret society. There are no subliminal things going on. There is not some game. I am not running a ring of drugs or anything else.
