Victim TURNER, PATRICK A	Offense ASSAULT AGGRAVATED	Date / Time Reported Tue 04/09/2019 19:15

THE INFORMATION BELOW IS CONFIDENTIAL - FOR USE BY AUTHORIZED PERSONNEL ONLY

On April 9, 2019, at 1925 hours, I was dispatched to an Assault at St. Peter`s Hospital (413 Lilly Rd NE).

Upon arriving I spoke with the victim, Patrick Turner, who explained he had been "jumped" by three individuals at 5th Ave SW and Sylvester St SW. Patrick told me he did not know any of the individuals but believed they assaulted him because he has been working with police regarding sex and drug trafficking at the Society Night Club (120 4th E) and Jake`s on 4th (311 4th Ave E). Patrick said he had been walking south on Water St SW passing 4th Ave W when he heard people yelling to get his attention. Patrick turned around and was confronted by two individuals about what he was wearing, which consisted of a white t-shirt with the word "Aryan" above a cross with a circle around it. On the cross were the words "pride, strength, and purity." Standing in front of the cross on the shirt was the outline of a person standing with a baseball bat behind their back and the star of David broken on the ground next to them. Underneath that t-shirt Patrick had a red long-sleeved shirt, blue jeans, and black boots. Patrick also had on a necklace with a swastika and letters in a different language. Patrick also stated that the individuals were telling him he messed up by talking to police.

Patrick told me during the initial confrontation there was lots of name calling on both ends, and eventually Patrick walks away south on Water St SW. Patrick said he was then confronted again at 5th Ave SW and Sylvester St SW by three individuals.

Patrick described the first individual as a white male, 6`00ft tall, with short hair, wearing a dark baggy t-shirt and blue jeans. Patrick described the second individual as a Hispanic male with short hair, wearing blue jeans with a white and blue polo shirt. Lastly, Patrick described the third individual as a slender black male, about 6`00ft tall, with short hair, Patrick did not remember his clothing.

Patrick told me the white male and Hispanic male were the only two that assaulted him. The white male punched Patrick in the face 3-4 times, and the Hispanic male punched Patrick in the face 2 times. Patrick said all three males had weapons, but they were not used in the altercation. Patrick said the white male had keys in between his fingers, like spikes. The Hispanic male had a pair of brass knuckles, and the black male had a walking stick. Patrick told me the white male was the one talking and continue to tell Patrick "snitches get stiches." Patrick told me he also believed there was a hit out for his murder, and said he believes the hit was placed by either Alex Bosi, Vincent Stoner, or Myka Grandy. Patrick told me all of these individuals work at the Society Night Club and are involved in the sex and drug trafficking. I asked Patrick why he believed there was a hit out for him, he explained as he was being assaulted the white male told him "you have one on you."

After the incident Patrick said he walked to his vehicle and drove to get treated for his injuries. I asked Patrick if he was ever on the ground, he told me he never fell to the ground he was hit all white sanding. Patrick told me he was informed by hospital staff that his injuries were a broken nose and bruising on his face. Patrick provided me with a recorded statement of the incident, which I later transferred to a CD and booked into evidence. Patrick also signed a medical release form, see attached.

At this time I have no witnesses to the incident and no video footage. Due to Patrick stating he was targeted because of his beliefs and his continued concern for his safety I am requesting this case be sent to OPD Detectives for review and further follow up.

On April 09, 2019, I was assigned to this aggravated assault where Patrick Turner was the victim. Patrick reported he was assaulted by two individuals at 5th Ave SW and Sylvester St SW due to wearing a t-shirt with the word, "Aryan," "Pride," "Strength," and "Purity." Patrick believed there was a "hit" out for him because he talked to the police about activity at the Society Night Club.

On April 11, 2019, Detective Weinnig interviewed Patrick at the Olympia Police Department. Patrick said after he was assaulted he was told by a female named Shadow and a male named Joshua there was a "hit" out for him saying, "Dead by June." Patrick said the "hit" was put out by local gangs called Black Panthers and Bloods. Patrick said nobody from the Society or anybody he knows assaulted him but thinks the "boss" had people assault him. Patrick said due to him being assaulted he is applying for an anti-harassment order against people at the Society. Patrick said the Society is the center of him being investigated by the FBI and being detained for mental health issues.

Patrick then talks about the night of the assault and said he was downtown to do his exercises. Patrick said he always wears his Aryan gear including the boots to exercise. Patrick said he was near the end of his walk and was walking back to his vehicle at Marathon Park. Patrick said a female and a white male contacted him and words were exchanges such as racial slurs about what he was wearing. Patrick said they said "You got one on you" which means there is a "hit" on him. Patrick said he walked away from them and thinks they called the males that assaulted him. Patrick said the three males then walked down 5th Ave toward him shortly after the call was made. Patrick said they confronted him around 5th Ave and Sylvester St and told him to take off his shirt and he was a racist. Patrick said they also said, "You got one on you." Patrick said the males that assaulted him appeared to be homeless and what he called "street kids." Patrick said he was hit four or five times as he was walking back toward his vehicle and the assault was very quick. Patrick said there was people around when he was assaulted but nobody stopped. There were no calls into dispatch about the assault.

Patrick said after the assault he went to the Community Care Center to meet up with Joshua and Shadow to tell them what happened. Patrick said that is when he went to St. Peter`s Hospital and called 911. Patrick said he later talked to Joshua and Shadow and that`s when he was told there was a "hit" out on him. Listening to the interview, Patrick completely blames the Society for all of the current issues he is having in his life. Patrick also admits that he has mental health issues and is not taking any medication for it due to it being mind-altering. Detective Weinnig said during the interview that he drove by the incident and all he saw was a male and a female. Detective Weinnig said he saw Patrick and the male talking then the male pushed Patrick. The interview was placed into evidence at OPD.

Detective Weinnig is going to complete a follow up to this report with further details about his involvement and contact with Patrick.

On April 18, 2019, I checked with the construction site at 5th and Sylvester along with the surrounding area for video surveillance and was not able to locate any.

Based on the statement provided by Patrick and the circumstances around the assault, there is no evidence to believe anybody from the Society assaulted him nor did they hire somebody to assault him. Patrick believes he was assaulted due to the clothing he was wearing but there are no leads on the suspect or suspects in this case.
