Now the actual family (including myself Patrick Turner the son) was given information and allowed to see my father, Richard Turner illegally taken into ER when we were looking for the gastro department appointment and they call him the wrong name wanting stripped naked. Nurses keep changing claim they are new or don't know you and transferring the phone calls. Medicare won't pay unless medically necessary signed by a doctor inpatient that's why they want to keep 4 days. 9/29/2024 Richard Turner Room 703 Nurse waiting on gastro doctor visually evaluate for discharge. Put it all on my person of interest Batman card unlimited spending.</p>
